

NORTH FALMOUTH VILLAGE ASSOCIATION

Summer 2020 | p. o. Box 762 | North Falmouth, MA 02556

PAUL WHITE, was a local Legend. He owned the local grocery store across from the North Falmouth Library and was a committed and loving mentor for locals and his family alike. Paul had a larger than life personality which exuded vigor.

If you knew Paul White or care to share a story about him we would love to share. If you have any stories please send them to us at, [nfvilleageassociation@gmail.com](mailto:nfvillageassociation@gmail.com)

Dear Friends,

It is hard to imagine summer in the Village without running the Paul White Memorial Road Race, but sadly, that is where we find ourselves due to Covid-19. This July 11th would have marked the 43rd anniversary of our signature race and fundraising event! This event has so much heart and soul, just as its namesake did, that we simply didn't think we could do it justice by pivoting to an online platform.

The loss of our road race event this year will certainly jeopardize our charitable income that we rely on. Your generosity in the past has enabled us to:

- Give 4 \$1000 scholarships for continuing education to North Falmouth graduating seniors
- Collaborate with North Falmouth Elementary School on meaningful and enriching projects
- Ease financial burdens to local families in need at the holidays and throughout the year
- Continue to maintain and update our beautiful, historic junction building on Old Main Road

I am asking you today, if you are able, to consider supporting the NFVA with a donation. Perhaps a symbolic "entry fee" if you will. The race fee is \$35.00 but anything would help us this year.

https://paypal.me/nfvillageassociation?locale.x=en_US

We are working on finding new and creative ways to raise the necessary funds so we can continue to contribute to the community in the aforementioned ways. Equally as important is the need to foster the humanity that makes our Village so special and we will find ways to do that in our ever-evolving landscape with your help.

On behalf of The North Falmouth Village Association, I wish you and yours health and peace. I also thank you in advance for your support at this time.

With gratitude,
Meegan Hatch

Masks FOR FALMOUTH

prevent and protect — yourself and others

Masks for Falmouth is a group of women in the Falmouth area who are deeply concerned about the risks of transmission of the Covid-19 virus and have banded together to make non-medical cotton face masks for those who need them. **The masks are provided without charge** to Falmouth residents and employees, particularly those most vulnerable to Covid-19 infection: older people, those with underlying medical conditions, and those who care for vulnerable populations.

NFVA is happy to introduce you to our latest scholarship recipients for 2020! We will let their notable notes do the talking for them.

My future plan is to attend **Fitchburg State University** and then pursue a Law Degree. I hope to live on Cape Cod, Massachusetts because I have a special love for engaging in the community and the environment. - *Anya Thomas*

My future plan is to attend **Springfield College** and pursue Special Education. I hope to live on Cape Cod, Massachusetts because I have a special love for engaging in the community and coaching. I have known for a very long time that I have always wanted to go to college to learn about education focusing specifically on special education. - *Kayla Thomas*

I hope continuing on a path of education will mold me into the marine biologist I have always wanted to become, and give me the tools I need to succeed as a woman in the environmental field. - *Noelle Tavares* **Maine Maritime**

I have chosen to go to **American University** because of their extensive film program and most importantly their internship with National Geographic. My goal is to one day become a videographer for National Geographic and the fact that I can already get experience with the company before I graduate was a major deciding factor. - *Shutong Murray*

A SPECIAL THANK YOU

The NFVA recognizes the importance of building relationships within our community. We are proud to have talented FHS junior, **Dalton Driscoll** create our new web page. This was a project in conjunction with his Web Page Development class and AP Computer Science under the tutelage of teacher Michael Campbell. We look forward to more collaborations with Dalton in the future and are excited to have the opportunity to cultivate not only connections with our schools but also multi-generational opportunities.

We love our new Members, please connect with us and get involved in our community. This is a Tax deductible way to help us and your neighbors.

Please join to stay informed of North Falmouth Events throughout the year.

*We are located @ **the junction**, next to the Fire Station and across from the Wild Harbor General Store.*

Simply submit your application and membership fee.

Connect with us online, northfalmouthvillageassociation.org

By email to, nfvillageassociation@gmail.com

Donations welcome throughout the year, especially this year, as we cannot have our **Paul White Road Race fundraiser** this summer due to Covid 19.
